Opt Out/Waiver

If a student has coverage that is compliant with the Affordable Care Act, the student may only opt out during the **Enrollment/Change Period (8/24 – 9/26)** by completing a **Waiver Form**.

To find the **Waiver Form** go online to www.si.Illinois.edu, under the link entitled "OPT OUT".

Students must process a Waiver Form each academic year in order to Opt Out of the UIUC Plan.

What is considered Affordable Care Act Compliant?

The insurance plan must:

- No maximum lifetime dollar amount limit
- Must have Mental Health benefits for both inpatient and outpatient services
- Must cover Pre-existing conditions
- Cover health care received within a 50 mile radius of the Urbana-Champaign campus
- Be in effect by **August 26, 2017** and must remain in effect until the last semester the student is enrolled for that academic year

Before a Student Opt's Out, Consider This...

- If your plan requires the student see a specific doctor and there is not one in the Urbana-Champaign area, the student would need to travel home to see that doctor. So in effect, there would be no coverage here at school.
- Remember!! What you deem a medical emergency may not be what your insurance plan deems an emergency.
