PETITION FOR EXEMPTION FROM THE REQUIREMENT OF PUBLIC ACT 85-1315, MANDATORY PROOF OF IMMUNIZATION TO VACCINE PREVENTABLE DISEASES ON RELIGIOUS GROUNDS

The Student Statement of 100 Words or Less Describing His/Her Objections to Immunization Based Upon Bona Fide Religious Tenets or Practices (To Be Completed by a Parent or Guardian if Student is Less Than 18 Years of Age)

I affirm the statements made above truly reflect my beliefs and practices. I understand that, should an outbreak of a vaccine preventable disease occur on campus or in the community, I may be required to curtail my normal activities and may be asked to avoid contact with other people in the interest of public health. I further understand that should I contract a vaccine preventable disease, I will hold the university harmless and will comply with any and all limitations placed upon me by the University of Illinois or public health officials. I understand that I will be treated no differently than any other person who has not demonstrated immunity to vaccine preventable diseases.
